

Octavian Calin

Full Stack Web Developer

Hi there! My name is Octavian, and I'm a Full Stack Developer with a tremendous passion for programming. I can easily create UX/UI designs for you or build your websites from scratch using native code.

WORK EXPERIENCE

Waiter and Barman
2022 July - 2023 October

I used my fluency in several languages and gained experience from an early age working as a waiter and barman.

Codenotch - Madrid
Student Full Stack
2023 October - 2024 January

I collaborated on a Full Stack mobile web project, applying SCRUM and honing my development skills.

AnySolution S.L - Mallorca
Full Stack Developer
2024 January - June

I transitioned into the role of a Full Stack developer, specializing in Linux systems and employing Python and JavaScript to craft various enterprise applications.
